PROJECT EXPERIENCE

Project Management

Manages in house project budgeting, timelines, scheduling, pay requests, general correspondence in keeping projects on track, under budget, and running smoothly. Coordination of public hearings, community meetings, and city council engineering reporting. Lisa is the first contact for clients to filter questions and concerns. Recent projects include:

- Kamiah Community Center—City of Kamiah, ID
- Second Street Overlay Project—City of Asotin, WA
- Second Street Overlay Project—Town of Garfield, WA
- Safe Routes to School Reconstruction—Asotin-Anatone School District
- City of Asotin Second Street Reconstruction—Asotin, WA
- Nez Perce Drive Extension—Lewiston, ID

Grant Administration

Submits applications on behalf of our clients and has successfully been awarded funds to aid in project development. There are funds available through either grants or low interest loans and Lisa has the resources and expertise available to search out the best option. Recent projects include:

- Water Reservoir Grant—City of Asotin, WA
- Water Plan—City of Asotin, WA
- Community Development Block Grant—Community Center—Kamiah, ID
- Town of Fairfield Transportation Improvement Grant—Fairfield, WA
- City of Asotin Emerging Issues Grant—Asotin, WA
- Community Development Block Grant—City of Asotin WWTP—Asotin, WA
- City of Asotin Second Street Phase II TIB Grant—City of Asotin, WA
- Town of Garfield Emergency TIB GRANT—Town of Garfield, WA
- Town of Garfield Highway-Railway Federal Grant—Town of Garfield, WA
